THE CHY COUNCIL,-There will be a meet ing of both branches of the City Council to night. The Common Council adjourned les! sight until to night to consider the proposotion to build a new envice house on the lot on Pitt Breet, between King and Cameron, for the Columbia Steem Fire Company, and the Mayor has called the Board of Aldermen together to night for the purpose of emaidering and taking some immediate action upon the proposition of the Sun Fire Company, (laid over last night until the next regular meeting,) to surronder the house now occupied by them to the city, upon the payment by the City Council of \$300 to the Tressurer of said Company. The suit of the city for the posses sion of the Sun Engice House, now perding, unless withdrawn, will probably come up before the next regular meeting of the Council, and hence the desire of Mayor Smith to have the matter disposed of as soon as possible.
